**Subject:** Sunshine 1200k - Registration Update

I'm sending this email to those on the Registered Riders List as well as on the Waitlist. I apologize in advance if you're getting some of this multiple times – I know that most of you are on the Interested List as well but I didn't want to miss anyone.

### Hotels

I know that I've made this confusing but hope to clear that up.

Fort Myers Beach – booked through the registration system. You pay me; I pay the hotel. That gives us more flexibility to handle “matchmaking” for room sharing. Don't call the hotel.

Key West – you book yourself. Information is on the website [www.fl1200k.com](http://www.fl1200k.com) for the Sunrise Suites and Crowne Plaza, under the link Hotels. You'll see the group code and room rate. If you want to share a room, let me know and I'll put people in touch with one another, but one of the pair will still have to book the room.

### Bike Transport

I've probably got less than one-third of you who chose the zero-cost item of bike transport. I'm pretty certain that you are not all planning on making your own way to Key West.

At this point I'm going to assume that if you haven't told me otherwise, you need bike transport. **Please let me know if this is NOT the case.** Once we get further into the process I will take payments for the ferry as my guide ... if you're taking the ferry, you need bike transport.

### Misc Corrections

If you notice anything wrong on the registration list, let me know. I'll fix it from this end. There will be plenty of opportunity later to make hotel changes, book the ferry, pay for the balance of registration etc.

### Waitlist

As these events go, a number of people have to drop out before they can finalize registration and then some drop out before the event. I fully expect that the people who are currently on the waitlist will end up being able to do the ride but I have to let the dust settle for a while.

### Thanks !

So far so good. Thanks for your interest in the ride and thank you for signing up or joining the Waitlist. The first-day response makes it much easier for me to sort things out with the hotels that we're using during the ride and with the ferry. It gives me more confidence to make firm commitments. I was visiting the Daytona hotel yesterday, talking about numbers, arrival times and distribution, lining up our congregation area etc.

Cheers ... any questions, let me know.

Dave Thompson.
