Happy New Year to everyone. The Sunshine 1200k is just over 4 months away and that will go quickly. I hope that everyone is doing well.

I just uploaded a table of additional purchases to the website, which lists Balance of Registration Fee, Bike Transport, Fort Myers Beach hotels, Jerseys and Ferry. This is what's on record at this point in time based on your input to the registration site.

The formatting isn't pretty but I hope that it's self explanatory. After the end of January, I will likely tie it to the registered riders list.

According to this table, I have only 41 people requiring bicycle transport from Fort Myers Beach to Key West, but I know that's likely incorrect. At some point I'll be making decisions on opening up registration slots based on this data, so please check. If you need to add bike transport or anything else, you do that through the registration site.

There are some oddities in the table, like at least one person from the waitlist, formatting etc. – please ignore those – just check your purchases please.

Reminder – you have until the end of January to pay the Balance of Registration to hold a spot. We have a long waitlist and people are anxious to make their plans for 2015. I've had a couple of people drop out at this point, early notice is appreciated.

Soon after the end of January will come hard deadlines for Bike Transport, Fort Myers Beach hotel and the Key West Express ferry, all through the registration website. You have to make hotel bookings in Key West yourself; I don't track those.

As always, if you have any questions, please let me know.

Cheers ...

Dave.
